Believe it or not...

...it’s that time of year again already. **4-H Re-enrollment!!** All current 4H youth and adults that wish to continue to be part of this great program need to re-enroll in 4-H to participate in events during the summer months (Camp, SLC and Fair) as well as the 2011-2012 program year. Re-enrollment is an annual event.

All of the information that you entered on the 4H Online system is still there but you need to update it. New Medical forms are needed for each returning youth member and new Medical forms and Confidential Self Disclosure forms are needed for each returning adult volunteer. You can use this link to get to the 4H Online system:

https://www.4honline.com/Login.aspx?4B0F494B57522A3B3B3A3D0D

In this issue you will find the following information:
- Step-by-step instructions on how to re-enroll.
- Frequently Asked Questions about the 4honline system and re-enrollment.
- A list of forms that are needed for each youth and adult.
- A list of each club’s enrollment chairs, so that you may contact them directly if you have additional questions.
- A rough calendar of annual events to participate in

We hope that the re-enrollment process is easier for you all this year but just in case you have any problems, I will be at the SCC Youth Fair August 1st thru the 5th from 10:00am to noon and from 1:00 to 3:00pm to help you with any issues or questions that you may have about the 4H Online System. Each Club will have their Enrollment Coordinator on hand to help you with the online part of your re-enrollment. Contact your clubs Enrollment Coordinator to find out when they will be there to help you!

Toward the end of this newsletter, we include great articles written by 4-H members. We wish you a wonderful, fun and productive 4-H Year!

State Field Day
By Kyle Geringer

This year State Field Day was held on Saturday, May 28th. During State Field Day they had several contests going on at one time; Fashion Revue, Presentation Day, Photography Contest, Film Festival, Plant Science and the Interview Contest. It was said that there were over 1,000 people that attended the event this year from all over California.

Most of the contests are done in the morning with all of the participants getting there as early as 7:30am. The afternoon has a picnic atmosphere to it as everyone bring their blankets, chairs, and umbrella's to sit on the lawn in front of the Wellman Center. You can look around and see everyone talking, eating and having a great time. There are booths over to one side that you were able to play games at or see different activities.

Santa Clara had six participants at the Fashion Revue: Becca Graybeal (El Sereno) in Junior Purchased was State Winner, Fiona Reyes (Homesteaders) in Junior Embellished was a Medalist, Annika Koltermann (El Sereno) in Intermediate Embellished was State Winner, and Kyle Geringer (El Sereno) in Junior Traditional was a Medalist, Eileen Hails (Rolling Hills) in Intermediate Traditional was a Blue and Leah Hails (Rolling Hills) in Senior Traditional was a Blue.

Matthew Smith (El Sereno) entered two pictures in the Photography Contest and received golds on both.

We also saw Stas and Joanna Banach (El Sereno) at the Presentation Day as judges, but not see anyone from Santa Clara County giving presentations.

Wendy Clark and Becky Kirby were also there representing Santa Clara County.

The day was a lot of fun. But after the Fashion Revue awards it started to pour, so they decided to send all of the other awards to the participants. If you have never gone to State Field Day, it is worth the drive! We hope if you get the chance next year you go!

"My First 4H Dance"
by Annie Borders (7 years old)
Pleasant Acres Club

On June 10th, 2011 we had a 4H dance. There was cool music, fun snacks and a lot of dancing. When I got there, there were already people dancing. There was a big screen having some cool shapes turning and twisting. I saw everybody in cool costumes. There was a girl who had a 20's costume on. She had a red puffy boa, red high heals, a red sparkly dress and a red feather on her head.

Everybody made a circle and danced together. There was a girl who took my hand and pulled me into her circle. I was very surprised yet happy. We had a LOT of fun. I made new friends. Haley taught me how to dance a special dance. I always felt comfortable near Haley and everyone else. They are always understanding. When I have questions they always answer them.

4H'ers love to dance!

Foods & Nutrition Project
By Anna Garcia Jones

For the past couple of years I have been in the foods & nutrition project. I really enjoy cooking and baking all different types of food and learning so much more about food and cooking than I did before.

My favorite meal that we made was the one we did at the last meeting of the year -- hamburgers with Caesar salad and a banana and strawberry smoothie. It not only tasted delicious but in that meal we included every aspect of the food pyramid. Fruits, vegetables, dairy, grains, and protein.

The very first time someone asked me if I wanted to be in the foods & nutrition project, I wasn't sure if I wanted to or not. So I tried it and at the first meeting I was pretty nervous but now it's one of my favorite projects. I hope some of you will join next year.
Santa Clara County “BRINGS IT” at San Mateo County Fair
By Savannah & Rylie Weaver

Four Santa Clara County 4-H youth attended the San Mateo County Fair on Sunday, June 12th. We came to compete with our Cavies. It was a very long day. We arrived at 10am and our cavy competitions ended around 6 pm.

The day started with Cavy Breed judging where the two top winners were from Santa Clara County. Kiely Rose Phillips received “Best in Show” for her Broken Teddy Cavy, Smashbox. Rylie Weaver received “Reserve Best in Show” for his American Red Roan Cavy, Sprocket. Each of them received a large colorful ribbon and a collapsible chair embroidered with their award.

After a lunch break, all of the exhibitors returned to the arena for the showmanship competition. In the Junior Division, both winners were from Pleasant Acres 4-H. Kiely Rose Phillips received a 1st place award and Rylie Weaver received the 2nd place award. This win allowed them to move up to the Senior Division. After the Senior Showmanship Competition, the winners were announced. With very close final scores, the top 4 winners were all from Santa Clara County.

◊ 1st in Senior Showmanship ~ Jamie Lenihan, Rolling Hills 4-H
◊ 2nd in Senior Showmanship ~ Rylie Weaver, Pleasant Acres 4-H
◊ 3rd in Senior Showmanship ~ Kiely Rose Phillips, Pleasant Acres 4-H
◊ 4th in Senior Showmanship ~ Savannah Weaver, Pleasant Acres 4-H

It was a great day at the San Mateo County Fair!

Hi my name is Emily Friesen and I’m from the Coyote Crest 4-H club. I’m going to talk about something we did in the cooking project.

On May 20, 2011, our cooking group made candy cookies with different kinds of chocolate in them. We all brought certain ingredients and worked together to make them. When we were done, we did a taste test. They were so good, we wanted another.

Then the next day we went to two fire stations and delivered them to the firefighters. April Alger and Cameron Vincze went to fire station 27. They even got to ride on the fire engine! Taylor Wiley and I went to fire station 13. They said we should come back another time and have lunch with them and we could ride the Tiller. It was very fun!

4-H Camp Dance
by Anna Garcia Jones

I went to my first 4-H dance at camp last year and I didn’t know what to expect. I wasn’t sure what music they were going to play or what kind of dancing there was going to be, so I just went with the flow and had the time of my life.

I love 4-H dances. Every time I go to one I have a blast. I always see my friends there, they always have great music, and there’s always great dancing.

One of my favorite parts of the dances is when the Dj plays “Man, I feel like a woman,” and everyone does a certain line dance to that song.

I really hope that 4-H keeps on having dances because everyone has a great time.
Globe Trotters Project
by Anna Garcia Jones

This past year I joined the globe trotters project. It has helped me learn so much more about so many countries. We've studied Russia, France, Japan, Brazil, and Vietnam. Out of the five countries we've studied my favorite was Japan.

At each meeting we had guests who were from the country we were studying and they shared with us information about that country. Project members bring snacks from the country and we get to try foods from all around the world. Sometimes we even get to do a craft or make something after the meeting that's based on that country.

It's amazing how much you can learn about a country in just one globe trotters meeting.

El Sereno Baking Contest
by Anna Garcia Jones

At every El Sereno general meeting there's a baking contest with a theme. Whoever wants to enter the contest brings something that they made to the meeting, and about five judges go into the kitchen to taste the food. Then the judges decide which entries get 1st, 2nd and 3rd place ribbons and which get participation ribbons.

I first made something for the contest when the theme was St. Patrick's day. I had made a chocolate four leaf clover cake. I got the participation ribbon along with a couple of other people.

The most recent thing I made was on the day that the theme was rainbow. I made rainbow jello and got first place. Everyone liked it.

I was really happy about how my jello turned out and I think it's really fun doing the baking contest.
